

# Where Do I Begin (Love Story)

Where do I begin

To tell the story of how great a love can be

The sweet love story that is older than the sea

The simple truth about the love she brings to me

Where do I start

With her first hello

She gave new meaning to this empty world of mine

There'd never be another love, another time

She came into my life and made the living fine

She fills my heart

She fills my heart with very special things

With angels' songs, with wild imaginings

She fills my soul with so much love

That anywhere I go I'm never lonely

With her around, who could be lonely

I reach for her hand, it's always there

How long does it last

Can love be measured by the hours in a day

I have no answers now but this much I can say

I know I'll need her 'til the stars all burn away

And she'll be there

How long does it last

Can love be measured by the hours in a day

I have no answers now but this much I can say

I know I'll need her 'til the stars all burn away

And she'll be there
