You Should've Said No   Taylor Swift

It's strange to think the songs we **used to** sing

The smiles, the flowers, everything **is gone**

Yesterday I **found out** about you

Even now just looking at you feels wrong

You say that you'd take it all back

Given one chance, it was a moment of weakness

And you said, "Yes"

You should've said, "No"

You should've gone home

You should've thought twice 'fore you let it all go

You should've known that word 'bout what you did with her

Get back to me (get back to me)

And I should've been there

In the back of your mind

I **shouldn't be asking** myself, "Why?"

You **shouldn't be begging** for forgiveness at my feet

You should've said, "No"

Baby, and you **might** still have me

You can see that **I've been crying**

Baby, you know all the right things to say

But do you honestly expect me to believe

We could ever be the same?

You say that *the past is the past*

You need one chance, it was a moment of weakness

And you said, "Yes"

You **should've said,** "No"

You **should've gone** home

You **should've thought** twice 'fore you let it all go

You **should've known** that word 'bout what you did with her

Get back to me (get back to me)

And I **should've been** there

In the back of your mind

I **shouldn't be asking** myself, "Why?"

You **shouldn't be begging** for forgiveness at my feet

You should've said, "No"

Baby, and you might still have me, oh-whoa

I can't resist it

Before you go, tell me this

Was it worth it? **Was she worth this**?

No, no, no, no, no, no

You should've said, "No" You should've gone home
