

Annie

Annie, I saw your name in **the bright lights**
I thought I saw your photograph having such a laugh in
a magazine,

Did it all come **tumbling**?

Annie, you were made for the big time.

They said you're a star to be in the NME, But the walls
came tumbling down, down. Will you go down on me?
Cause Annie you're a star, that's just not going very far.
And all the world will know your name,
And you'll be as famous as you are cause I'll sing for
you.

Annie, would it be nice to be recognised?

And did you practise your **autograph** but now no one's
asked and it's such a shame,

That the dreams are **crumbling**?

Annie, why don't you bathe in the **limelight**?

Cause I thought that you said you'd be a celebrity
several years ago.

Did it all come tumbling down, down. Will you go down
on me?

Cause Annie you're a star, that's just not going very far.
And all the world will know your name,
And you'll be famous as you are cause I'll sing for you
