

Lili

Lili, **take another walk out** of your fake world
please **put all the drugs out of your hand**
you'll see that you can breathe without not back up
some much stuff you **got to understand**

for every step in any walk
any town of any thought

I'll be your guide

for every street of any scene
any place **you've never been**

I'll be your guide

Lili, you know there's still a place for people like us
the same blood runs in every hand
you see it's not the wings that makes the angel
just **have to** move the bats out of your head

for every step in any walk
any town of any thought

I'll be your guide

for every street of any scene
any place **you've never been**

I'll be your guide

Lili, **easy as a kiss we'll find an answer**
put all your fears back in the shade
don't become a ghost without no colour
cause you're the best paint life ever made

Good luck: Pakheirian.A
