

5th of November  
When **I walked** you home  
that's when I nearly **said it**  
But then **said** "Forget it" and froze  
Do you remember?  
You probably don't  
'Cause the sparks in the sky  
took a hold of your eyes while we spoke

Yesterday, drank way too much  
And stayed up too late  
**Started** to write but I wanna say  
Deleted the message, but I still remember it said

**I wish I was who you** drunk texted at midnight  
**Wish I was the reason** you stay up 'till 3  
And you can't fall asleep  
Waiting for me to reply  
**I wish I was more** than just someone you walk by  
**I Wish I wasn't scared** to be honest and open  
Instead of just hoping  
You'd feel what **I'm feeling** inside

April the 7th  
And nothing has changed  
It's hard to get by  
When you're still on my mind every day  
Sometimes I question  
If you feel the same?  
Do we make stupid jokes?  
Trying to hide that we're both too afraid to say

**I wish I was** who you drunk texted at midnight  
**Wish I was the reason** you stay up 'til 3  
And you can't fall asleep  
Waiting for me to reply  
**I wish I was more than** just someone you walk by  
**Wish I wasn't scared** to be honest and open  
Instead of just hoping  
You'd feel what I'm feeling inside

Oh, and here we go again  
Destroy myself to keep my friend  
Hiding away 'cause **I was afraid** you'd say no  
I wonder if I cross your mind  
Half as much as you do mine

If I tell you the truth  
What will I lose? I don't know

**I wish I'd sent you** that drunk text that midnight  
I was just scared it would ruin our friendship  
But **I really meant it**  
I wonder how you would reply

**Past simple**

**Present continuous**

**Present perfect**
