

The day we met  
**Frozen I held my breath**  
Right from the start  
I knew that I'd found a home for my heart

Beats fast  
**Colors and promises**  
How to be brave?  
How can I love when I'm afraid to fall?  
But watching you stand alone  
All of my doubt suddenly goes away somehow

One step closer

I have died everyday waiting for you  
**Darling, don't be afraid, I have loved you for a thousand years**  
I'll love you for a thousand more

Time stands still  
**Beauty in all she is**  
I will be brave  
I will not let anything take away  
What's standing in front of me  
Every breath, every hour has come to this

One step closer

I have died everyday waiting for you  
**Darling, don't be afraid, I have loved you for a thousand years**  
I'll love you for a thousand more

And all along I believed I would find you  
**Time has brought your heart to me**  
I have loved you for a thousand years  
I'll love you for a thousand more

I love you for a thousand more  
Ooh-ooh-ooh-ooh-ooh-ooh, ooh-ooh-ooh  
Ooh-ooh-ooh-ooh

One step closer

I have died everyday waiting for you  
**Darling, don't be afraid, I have loved you for a thousand years**  
I'll love you for a thousand more

And all along I believed I would find you  
**Time has brought your heart to me**  
I have loved you for a thousand years  
I'll love you for a thousand mor
