

Here's a little song I **wrote**

You might want to sing it note for note

Don't Worry, Be Happy

In every life we have some trouble

But when you worry you make it double

Don't Worry, Be Happy

Ain't got no place to lay your head,
somebody **came** and **took** your bed

Don't Worry, Be Happy

The landlord say your rent is late,
he may **have to** litigate¹

Don't Worry, Be Happy

Ain't got no cash, ain't got no style,
ain't got no gal² to make you smile

¹ دادخواهی کردن to take a claim or disagreement to court

² /gæl/ a girl or woman

Don't Worry, Be Happy

Cause when you worry your face **will frown**

and that **will bring** everybody down

Don't Worry, Be Happy

What are you *frowning* at me for?

Good luck: Pakheirian.A
